

Personal information

Name	De. Spyros Bofylatos
Address	P. Katramadou 27, Hermoupolis, Syros, Greece
Telephone	Mobile + 30 6942059448 Home + 30 2281087343 Work + 30 2281097150
Skype Name	spbofi
e-mail	bofy@aegean.gr spbofi@gmail.com
Date of birth	23/08/87
Gender	Male
Nationality	Greek

Work experience

2013 - 2017	<p>Teaching in the Department of Product and Systems Design Engineering of the University of the Aegean:</p> <p>Undergraduate courses:</p> <p>Theory and Methodology of Design I (Winter semester, 2 hours per week)</p> <p>Studio 7c Service Design (Winter semester, 6 hours per week)</p> <p>Theory and Methodology of Design II (Spring semester, 2 hours per week)</p> <p>Design for Sustainability (Spring semester 4 hours per week)</p> <p>Master's courses</p> <p>Theory and Methodology of Design (Winter semester, 2 hours per week)</p> <p>Design for Sustainability (Spring semester 3 hours per week)</p>
2015	Work in the research project "Charting the University of the Aegean's graduates"
2013 - 2015	Work on the project "Quality Assurance Unit - Modip University Aegean" Development and Operation Management Information Quality Assurance System of the University of the Aegean.

2014	Member of the organizing committee and teaching at the summer school "Emerging theories, methodologies and applications in the area of design: Sustainability and Service Design" of the University of the Aegean
2012 – 2013	Member of the organizing committee and teaching at the Erasmus Intensive Programme "Emerging theories, methodologies and applications in the area of design: Sustainability and Service Design" of the University of the Aegean
15 June – 15 August 2010	Internship at the Museum of Industry of Hermoupolis

Education

2011 - 2017	University of the Aegean, Department of Product and Systems Design Engineering PhD Candidate
2011	TU Delft, Department of Industrial Design Engineering Integrated Product Design MSc Spring semester through Erasmus Exchange
2005 – 2011	University of the Aegean, Department of Product and Systems Design Engineering Diploma Grade: 7.42/10 Master Thesis Title: "Design for Sustainability - A, non-critical, review" Grade:10/10
2005	2nd Chalandri School graduate (grade 17.6/20)

Language skills

English	Cambridge English: Proficiency (CPE) (2003) Grade: B
Greek	Native speaker
French	Delf A2 (2003) Grade: 13,75/20

Reviewer

2014	11 th European Academy of Design, "The Value of Design Research"; Paris, France
2014	Cumulus Milan 2015, "The virtuous circle"; Milan Italy

2016	12 th European Academy of Design: Design for Next, Rome Italy
2018	ServDes 2018 "Proof of concept", Milan Italy

Training-Seminar-Activities

2018	Lecture "Service design, methods, tools perspectives." at "The Box", Athens
2016	Mentoring at the Syros SusJam
2016	Facilitator for the customer journey mapping workshop for the "service design" course of the Department of Product and Systems Design Engineering of the University of the Aegean
2016	Participant in "PRIDE (Partnership for Rural Improvement & Development) Engaging Communities in Sustainable Rural Development in Bulgaria organized by the sublime foundation and the Green Village Project
2015	Teaching at the "Service Season" seminar in Kiev Ukraine
2015	Mentoring at the 1st Athens GovJam
2015	Lecture "Sustainability, the need for new lighthouses" in Luminous Flux, reflected overlays on locative norms" Organised by Campus Novel and the Syros Intitute
2015	Lecturing and Facilitating at the workshop "the new raw"
2014	Participation in a Seminar on Securing Intellectual Property of Designs by the Department of Product & Systems Design and the Industrial Property Organization of Greece
2013	Lecturing at the "Department of Product and Systems Design Engineering Career Day"
2010 - 2014	Participation and organization of self-education seminars organized by the student initiative "dpsdBeyond"

Theses supervision

2014	Zoi Stergiadou "Designing Greek food packaging products with
------	--

	information design to promote sustainability”
2015	Konstantinos Lampridis “The involvement of the human body in the creation of material culture: From stone tools to 3D printers”
2015	Nikos Hadjilias “Design and crafts: The role of craft and prototyping in design and the education of designers”
2015	Alexandra Katopodi “Designing a service to support new students in finding a house in Syros Island”
2015	Marianna Printezi “Using service design methods to improve the service experience for customers of Shell gas stations”
2015	Eva Andreakou “Designing a Social Entrepreneurship Support Programme”
2015	Galatia Panourgia “Designing cultural management services with creative communities, a toolkit based approach”
2015	Vasilios Xenofontos “A study of silkscreen printing method under the light of sustainability, prototyping a system for home serigraphs”
2015	Eleni Bourliou “Application of narrative techniques in service design to create user experiences. A case study of the Cybele Institute”
2016	Elisa Rousaki “Communicating sustainability through branding, a case study of ZYLO”
2016	Despina Alafouzou “Designing corporate identity and packaging for the Greek Composting Company”
2016	Iris Ekizoglou “Design for Sustainability, Upcycling and participatory design in fashion design”
2016	Mikaela Argyriadou “A study of academic library user’s needs, towards the creation of innovative services”
2016	Natalia Triantafyli “Ambient Lighting - Tool and Artifact “An experimental approach for the integration of the empirical nature of light in design”
2016	Christina Kachrimani “Development of a new material through the upcycling process of wooden grocery crates”
2016	Dora Karadima “Designing an amateur urban gardening system design for creative communities of urban farmers in Athens”

2017	Ioanna Panagidi "Integrating mentoring and peer to peer learning processes in the product design studios"
2017	Juliet Kampasi "Resilience thinking and biomimetic service design, Creating a new context for social innovation"
2017	Elpida Spyridi "Applying design for sustainability principles in the airline food industry"
2017	Alexandra Dallas "Understanding local crafts for the creation of new cultural capital, a case study on the island of Tinos"
2017	Aliki Skoulikidi Boukouvala "Co-designing relational services, a case study in the 'Skoros' initiative"
2017	Natalia Georgiadi "Packaging and sustainability, designing a service based packaging system for 'Betty's Bakery'"
2017	Eugenia Brounta "Integrating design for social innovation methods in self organized art communities within the Athens Biennale"
2017	Konstantina Eleni Englezou "Sustainable agriculture in urban environments, integrating farming in everyday life"
2017	Konstantina Bakali "Branding for sustainability, a case study for the 'apano meria' social enterprise of Syros"
2018	Vasilia Katsikogianni "Development of a new material from agricultural waste, a case study in packaging design"
2018	Evagelia Kapelaki "Platform design for the empowerment of Cretan SME's"
2018	Maria Katsiki "Brand identity design for private label of cosmetics for boutique Hotels"
2018	Nefeli Kommata "Furniture Design with upcycled materials"
2018	Dimitra Karagiannakou "Designing Greekness, a case study in designing souvenirs as luxury items"
